

Tiny Town Newsletter

Spring term 2025

Note from the Manager

Welcome to this term's newsletter! It's hard to believe how quickly time is flying by, and we're excited to share updates on all the wonderful things happening at Tiny Town.

Firstly, I want to thank you for your continued support and trust in our team. Your engagement and feedback are invaluable as we work together to provide a nurturing and stimulating environment for your little ones.

In this newsletter, you'll find a sneak peek into upcoming events, and tips on how to support your child's learning and development at home. From creative art projects to outdoor adventures, the children have been busy exploring, learning, and growing – and we couldn't be prouder of their achievements.

As always, our doors are open if you'd like to discuss any aspect of your child's experience with us or share ideas for future activities. Let's make this another fantastic term!

Baby and Toddler room

Emma and Jodie have said they are really working on ensuring that children are able to count to 5 by the time they turn two but that they are also able to independently use a fork and spoon to feed themselves during mealtimes.

Tweenie room

Terri and Zoe have asked that Tweenie parents know we will be looking to ensure all children are starting their toilet training journey at around 2 years and 6 months. This is something that is developmentally expected by the time they turn 3.

Pre-school room

Sarah and Mia have asked for the Preschool parents to be reminded that from April, the children will partake in PE. This will mean they require a PE kit (t-shirt, shorts or trousers, pumps or trainers) in order to support their school transition but also their ability to dress and undress themselves.

ATTENTION

Important Information - Please Read

Labels in Clothing

To avoid items being lost, please can you ensure that your child's clothes are clearly labelled including their coats, hats, scarves and wellies. If your child brings gloves to nursery, we strongly advise for these to be attached and threaded through their coat to avoid any gloves going missing.

Drop Off and Collection

Please remember that we open at 7.30am and close at 6.00pm. Anyone who picks up after this will be charged a late fee including any children that finish their sessions at 1.00PM

Absence

Please note that we are unable to swap days or offer an alternative day if your child is absent from nursery. If you inform us of your child being on holiday, please ensure we have 72 hours' notice if this is to change.

Tip: Katie doesn't use the fennel seeds as this is quite a strong flavour for such small tastebuds

A pudding the children are still curious about:
